FOR IMMEDIATE RELEASE

**TERI MILNER OF THE UPS STORE TO SPEAK TO THE HAYMARKET-
GAINESVILLE BUSINESS ASSOCIATION**

Haymarket, VA.— At the next meeting of the Haymarket Gainesville Business Association, Teri Milner, owner of The UPS Store in Gainesville, will discuss how she overcame the challenges of being a new business owner and will share the secrets to her success. The meeting will take place on Tuesday, February 19, from 4:00 to 6:00 p.m., at the Town of Haymarket City Hall.

Teri moved to the Haymarket-Gainesville area in 2000 when she and her husband purchased Mail Boxes, Etc. in Centreville, which they sold in 2004. She then opened The UPS Store in Gainesville in March of 2005. Her store is the regional training center for UPS Store franchisees in Northern Virginia and in 2007 Teri won the Trainer of the Year Award for the entire UPS Store Network. Her store has set sales records for its explosive growth in the three years since it opened, with the most recent achievement being the number one sales position in the Northern Virginia area for the month of December, 2007, the busiest time of year for a UPS Store. Teri's philosophy is to give world class customer service and to provide a warm and friendly environment for customers to come and do business with her team.

Teri brings more than two decades of leadership experience to the Haymarket/Gainesville area and has gained extensive business know-how through her work in a variety of careers including retail sales, funeral service, insurance and bookkeeping. In addition to her involvement in the Haymarket Gainesville Business Association, Teri is a member of the Prince William-Greater Manassas Chamber of Commerce and the Gainesville Ruritan Club.

The Haymarket-Gainesville Business Association is a 45 member organization of professionals and business owners. The members meet every third Tuesday of the month from 4:00 to 6:00 p.m. at the Town of Haymarket City Hall. Recognized as a force in the Haymarket-Gainesville business community, the HGBA provides a forum for information sharing and supports projects that positively impact businesses and residents in the local community.
